## Rules and Regulations relating to the erection of Memorials

1. Only the Council's approved gravedigger may be contracted by the Funeral Directors or clients to work in the cemetery.
2. No memorial may be fixed within 6 months of a burial to allow ground settlement.
3. A memorial tablet may be fixed immediately after the burial of cremated remains.
4. The cemetery is laid out as a lawn cemetery, no kerbs or other memorials, permanent or temporary may be placed on the grassed areas.
5. In accordance with BS8415 the Council will leave undug a 60cm strip, the width of the grave at the head of the grave upon which the memorial must entirely be situated.
6. The 60cm memorial strip will extend the length of the row of graves and will be construction of an edged border with a gravel fill. This will provide a maintenance free area where memoria and flowers may be left.
7. No permanent planting may take place anywhere in the cemetery
8. Applications to place a memorial must bear the signature of the owner of the Exclusive Right of Burial.
9. All memorials must be fixed to BS8415 by a competent and registered stone mason of BRAMM.
10. An approved application will indicate the dimensions and compositions of the memorial: details of how it is to be fixed to conform to BS8415 and accurate details of the proposed inscription. Applications must be accompanied by fees and charges in full.
11. Saltash Town Council as the burial authority will retain the application and a permit will be issued to the Monumental Mason. The permit **MUST** be available for inspection at the time the memorial is being fitted. **If the mason is found without a permit, permission to continue with the work will be denied. Any memorial fixed without approval will be removed.**
12. **Size of Memorials**  
All new memorials to be erected in the Cemetery must not exceed the following maximum sizes:

### Headstone

Height (including all plinths and concrete foundations) 3'3" (991mm).

Width of memorial 2'8" (813mm).

Depth of base (front to back) 1'4" (410mm)

The overall size of the plinth to be 900mm

cond't...

**It should be acknowledged that all the above requirements must be conformed to. The Council will recall the stonemason to rectify any works as considered necessary.**

### **Tablets**

Only foundation slabs 24" x 24" (600mm x 600mm) and tablets 18" x 18" (450 x 450) may be fixed flat to cremation plots. To be supplied by the ERB owner. Should a vase be required it must be installed on the tablet itself. No memorials, vases, plants etc may be placed on the grass surrounding the tablet.

**Memorial colour and style will be at the discretion of the Burial Authority.**

13. The stone mason must give three working days of their intention to fix a memorial to arrange an appointment and a qualified fixer must remain in the cemetery whilst the work is carried out. The Council may approach a working fixer at any time and demand that they demonstrate that the memorial matches the application.
14. The Council will mark the end of each burial row and all headstone plates must align to the markers. Should any be found fixed in the wrong position the Council will recall the fixer so that they be re-fixed in the proper position.
15. No cleaning or other work may be carried out on any memorial without application to the Council and must have the permission of the owner. Any chemical cleaning must be specifically approved.
16. Should the Rights expire and not be renewed, the Council will attempt to contact the owner to arrange removal. Should this not be forthcoming, the Council reserves the right to act as it sees fit, up to and including removal.
17. A certificate of compliance to BS8415 must be issued to the owner of the Exclusive Right of Burial and Saltash Town Council Burial Authority.
18. All new memorials should either be guaranteed for a period of not less than 10 years.
19. The grave number and mason's name must be inscribed on the rear of the grave base in letters no greater than 15mm high.
20. **Memorial Insurance**  
It is highly recommended that a memorial is insured against accidental damage, vandalism and theft and to make sure that cover takes effect immediately the stone is fixed in the cemetery. Cost can be very reasonable and usually insignificant when compared with the possible cost of repairs. Any BRAMM registered memorial mason should have details of the schemes available.
