

We will be out and about again this autumn with Cllr Julian German, Deputy Leader of Cornwall Council and other Cabinet Members, talking to people about our draft budget asking them for their views.

We plan to visit as many towns in Cornwall as we can, busy schedules allowing, and would like to come to Saltash on 16 October, between 10am and 12pm.

Could you let us know where you think the best spot, in your town centre, would be for us to get plenty of footfall and opportunities to talk to people.

There will be one or two of us with either Cllr Julian German, or another Cabinet Member, and we will be wearing our Council ID badges and have a pull up banner to let people know we are from Cornwall Council (that we will need to tie to something to make it safe). We will have either a tablet or clipboard with us to note what people tell us and if the weather is kind we will have a portable blackboard with us for people to write their comments on.

Thank you in advance for your support and advice.
