Dear Sir/Madam

### **Saltash – Walking and Cycling Facilities**

CORMAC Solutions Ltd, on behalf of Cornwall Council, is inviting comments on a proposal to improve the pedestrian and cycle infrastructure within the town of Saltash.

The proposed works include cycle lanes, widened footways, new waiting restrictions and other footway/carrageway amendments. Areas included in the scheme are North Road, Station Road, Fore Street, Lower Fore Street, Culver Road, Victoria Road & Wesley Road. The aim is to deliver real advantages over the use of the car for short local trips by being convenient, safe, direct and comfortable, therefore encouraging greater uptake for commuting and leisure purposes. The primary objective is to improve the environment for cyclists but also to help facilitate pedestrian movement.

Please see the attached drawing(s) for details.

If you have any comments to make on the proposals I would be grateful to receive them no later than:

**6th January 2019**

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting [www.cornwall.gov.uk/TrafficConsult](http://www.cornwall.gov.uk/TrafficConsult).
