Report to Saltash Town Council, March 2 2017**Local Food Market**

The monthly food market on the first Friday of the month is now going to operate additionally on alternate Saturdays - the opportunity to do this has been created by the closure of the regular market at Crocadon. The first one took place last Saturday, with some new traders. This is an unexpected development for us, so please watch for further announcements about how this will operate.

Dementia Voice PL12

I can confirm that the Forces Veterans' Group has now been established after the recent launch. It will meet on alternate Saturday afternoons.

Health and Social Care Network

With the recent bad news about the so-called temporary closure of St Barnabas Hospital, an idea was formed during the recent NHS consultations on its Sustainability and Transformation Plan for Cornwall to seek a special project to secure a better balance of provision in future between Saltash and Liskeard. This has now been put forward with support from Patient Groups, a GP, the St Barnabas League of Friends, ourselves and the Mayor. We envisage that a broad based project team will be set up right away. The aim will be to ensure that we have a proper Urgent Care service based in the town, and a long-term commitment for a suitable role for St Barnabas.

Saltash Hopper

Just to update you on the experimental Derriford service....passenger numbers are increasing slightly as the service becomes more widely known, but we are a long way off being able to break even financially. Feedback about the service is always positive, and we are pleased to be having a try. We are currently working hard on publicity - which does bring regular enquiries - and this will reach a crescendo this week. We are planning to review the project formally on March 3, when we hope that passenger and financial data will have improved further.

The Chairman introduced the leader and Guides from 1st Saltash Senior Section, Girlguiding Saltash.

Corinne Ashcroft (Leader) talked about the 1st Saltash Senior Section, Girlguiding Saltash, which was set up recently. She explained that it is for all young women aged 14 to 25 and offers a range of unique opportunities, with a programme designed around personal development.

The Guides talked about various fundraising events to fund their trip to Switzerland where they experienced a wide range of activities and team building exercises.

The 1st Saltash Senior Section thanked Cornwall Council and Saltash Town Council for their support in fundraising to keep young people involved in these types of activities.

The Mayor presented a certificate to the 1st Saltash Senior Section, Girlguiding Saltash, in recognition of Outstanding Achievement and Commitment to the Community.

It was **RESOLVED** to note the Council's thanks to the Leader and Guides of the 1st Saltash Senior Section, as well as to the parents for their support.

Councillor Mrs G Challen arrived at the meeting.

427/16/17 REAR ADMIRAL M WOOD CBE DL JP – THE HONOURS SYSTEM

The Chairman introduced members to Rear Admiral M Wood CBE DL JP.

Rear Admiral Wood explained that as well as being Deputy Lieutenant he was also Chair of Trustees of the China Fleet Country Club, pointing out that China Fleet has 215 employees and brings in around £6 million of business for the local area. He went on to talk about the honours system.

The honours system recognises people who have made achievements in public life, committed themselves to serving and helping Britain. They'll usually have made life better for other people or be outstanding at what they do. Anyone can nominate someone for an honour, but of course only exceptional individuals actually receive an honour. The honour they get is decided by an honours committee. The committee's decisions go to the Prime Minister and then to the Queen, who awards the honour.

Historically, the proportion of people from Cornwall who are nominated for an honour is quite low, and the Lieutenancy is keen to ensure that all those in Cornwall who deserve an honour have the chance of being given one. Details can be found at www.gov.uk/honours.

Apart from the honours award, there are other opportunities for nominating people, like the Queens Award for Voluntary Service, Lord Lieutenant's Fund for Youth and an invitation to a Royal Garden Party.

It was **RESOLVED** to note the Council's thanks to Rear Admiral M Wood CBD DL JP, and for the hard work and commitment the China Fleet Trust and Country Club provide to the town.

REPORT BY COMMUNITY ENTERPRISES PL12

- a. To receive report and consider any actions arising.

Report to Saltash Town Council, February 2 2017

4 Fore Street

The function of this building has been evolving. We treat it as our "HQ", and as an information point for the public about our activities and more general things where people call in for advice, book Hopper trips, and to buy the SaltashCard (which is going strong - as a discount card, membership card, and travel card).

We open Tuesday to Saturday. The building is less of a market than it was, but we still have regular stallholders Wednesday through to Saturday and this is supplemented by the monthly Local Produce Market (first Friday of the month).

On Tuesdays, we host the Dementia Cafe, which has proved supportive for families affected by dementia, and is a coordinating point for services.

On Thursdays, we operate our Volunteering advice service, which has been recruiting well recently.

Our own Fruit & Vegetable stall operates Thursday to Saturday, and is generating a nice profit to support our activities.

None of this would be possible without consistent, and in some cases considerable, input from our Directors and other volunteers.

We are currently investing in the infrastructure of the building, e.g. phones, computers, printers as responsibilities and demands have

grown. We have hired some freelance help in developing our administrative systems.

Dementia Voice PL12

This voluntary group which has been in existence for more than a year, and was supported with a grant from the Council last year, has now formally become one of our Community Enterprises. Tim Parkman remains the Chair, and one of our Directors, Rose Edwards, will be its representative on our Board. Everyone is delighted with this move, which should give practical support in the further development of the group and enable it to access more sources of funding.

See Appendix for further details. At the time of writing, we are about to start running a fortnightly group for Veterans at 4 Fore Street after the market closes on Saturday afternoons.

Health and Social Care Network

We have for some years made efforts to ensure that the public is alerted to current issues in the NHS and care services, and to gather opinions and ideas, and feed these into the relevant bodies. We have put a lot of effort into strengthening the patient voice in the two local surgeries.

We have been very pleased therefore that the Council has played such a strong role in engaging with the current *Shaping our Future* consultation being led by Kernow Commissioning Group and Cornwall Council which will lead to the production of a Sustainability and Transformation Plan for Cornwall, which is required by the government. STC's input has made it easier for patients to express views, and I think the particular needs of the PL12 area have been given a good airing.

The major pressures on the NHS and care services are well known, eg increased demands and staff recruitment. With the MIU already closed at St Barnabas Hospital, and a clear threat to the continuation of medical care there, there is an urgent need for a community input into the final stage of the Plan. Without this, local services may come to be denuded. As a Community Interest Company, we seek to work in partnership with other bodies and individuals at this important stage.

Saltash Hopper

We are now running two buses and expanding what we do. This does take its toll on our organisation and on individuals, of course. The original bus is continuing its work with local groups, and special trips.

The new bus is concentrating on the experiment to establish a Saltash-Derriford service. We have been piloting this for several weeks now, learning as we go. From the week commencing 30 January, we are hoping to take the plunge with a more regular service throughout the day shaped

by the views we are receiving from local people. This will last for four weeks or so, by which time we hope that passenger numbers will have increased sufficiently to justify the effort, and the cost - particularly of paid drivers. I hope our lead Director Mike Finch will be able to come along to the meeting again to give an up-to-date briefing on progress.

Maurice Huggins Room

Although we have not been responsible for the building in the current financial year, you may be interested to know we do still get occasional requests to use the building, which we try to accommodate.

We look forward to news of the planned improvements up there.

Pop-Up Shop

We are pleased that we have been able to find a continuing use for these unoccupied premises, with a strong group of individuals setting up stall there. We monitor it carefully and our lead Director Peter Ryland deals with issues arising. We take the financial risk (eg fuel and Rates bills) but have broken even with the rents paid by the tenants.

18 Belle Vue Road

We remain very pleased with this project, and our tenants seem equally happy. Our Business Plan is working out well, and we should have resources to invest in improvements to the building in the current year. We have one small room available to let.

The challenge now is to prepare for discussions with Cornwall Council about taking ownership of the building from 2018 - hopefully via some form of asset Transfer. Assistance in this from STC would be greatly appreciated.

Peter Thistlethwaite, Chair

It was **RESOLVED** to note.

428/16/17 CORNWALL COUNCIL REPORT

- a. To receive report from Saltash Cornwall Councillors.

Affordable housing

I have been hearing a few rumours about the allocation of the new houses at Fairway being allocated to people from Manchester or Birmingham, this needs to be nipped in the bud right away, so if any councillors hear this rumour this is the reply from the affordable housing team at Cornwall Council.

“As discussed please accept our assurances that neither the Council nor Westward Housing will be mass-allocating these properties to households relocating from Birmingham. I have attached the scheme s.106 agreement which sets out the local connection criteria which gives priority in the first instance to households with a local connection to Saltash then the wider county (Cornish connection) – which is our standard Town approach”.

Great Place Scheme

Saltash was one of 6 Cornish towns included in a bid put together by Cornwall Council to the Great Place Scheme, a funding programme being administered by the Heritage Lottery Fund and the Arts Council. Designed to help put arts, culture and heritage at the heart of communities the total money available is £15 million. In December, Cornwall Council was informed it had been shortlisted, and was invited to draw up a more detailed application, which was submitted in the middle of January. The results will be announced by the beginning of March.

Car Parking

The decision on new Car parking has again been deferred to which there is a full report, too large to include for this report but I have a copy from John Pollard letter 23/1/17 included, but in essence the bottom line reads:

“We recognise that the time given to the Parking Service and Town representatives between the approval of the budget at Cabinet on 9/11/2016, and the deadline for a new order to be finalised by the end of January 2017 allowed relatively little time for a dialogue. We have therefore agreed with the Cabinet member for Transport to delay the implementation of the proposed schedule of charges associated with the order to allow local discussion to take place. The outcome of these discussions may generate alternative options for charging on a locally specific basis and therefore require a new consultation. Any shortfall in the budget can be accommodated to allow sufficient time for full discussion and consideration before a new parking order is put in place”.

In the meantime, I therefore suggest that the TC comes up with a serious alternative proposal if there is an appetite for it, that suits Saltash commerce and would be a variant to the current line of thinking within CC.

Councillor Bob Austin

429/16/17 COMMUNITY NETWORK AREA REPORT

- a. Community Network Area Report for noting or matters arising.

The Chairman informed members this was the last CNA meeting prior to the elections.

It was **RESOLVED** to note.

430/16/17 QUESTIONS FROM THE PUBLIC

A doctor from a local GP Surgery spoke in opposition to current and potential future changes to in-house and MIU patient care at St Barnabas Hospital.

It was **RESOLVED** that:

1. The Chairman issues a letter to the Cornwall Partnership NHS Foundation Trust, raising concern regarding the temporary closure of beds and the MIU service at St Barnabas, copying in, Sheryll Murray MP, the Chair of League of Friends and the Practice Managers of the local GP Surgeries.
2. The Chairman writes to Sheryll Murray MP, for clarification of the comments made in her email and asking for her strong support for ensuring that health care services in Saltash are maintained at a level commensurate with a town of this size.
3. After consulting with the League of Friends, the Chairman contacts the Local and Regional Press to publicise the closure of beds and the MIU service at St Barnabas, and that STC creates a petition to welcome public support in retaining health care services at St Barnabas.
4. The Chairman arranges to meet with the Practice Managers and Doctors of local GP surgeries to explore the feasibility of opening an MIU at the Health Centre.
5. The Council authorises the Mayor to take further reasonable action as necessary in consultation with interested parties, and that Councillors are kept informed at all times.

The Chairman announced a short break.

431/16/17 **MINUTES**

The minutes of the meetings of the Town Council held on Thursday 5th January 2017 and Tuesday 17th January 2017 were confirmed and signed as a correct record.

It was **RESOLVED** to note

432/16/17 **MATTERS ARISING FROM THE MINUTES**

War Memorial

The Town Clerk updated members on progress to date of the application to the Diocese of Truro for the inclusion of 2 additional names to be put on the St Stephen's War Memorial.

The Mayor informed members that a researcher had been approached to assist Mr Peter Clements with the research currently being conducted with regard to the accuracy of memorial inscriptions and roll of honour.

It was **RESOLVED** to award the contract to Devon and Cornwall Maintenance Solutions as recommended by the Council's Property and Building Surveyor for the lowest tender to the value of £22,121.00.

Councillors Killeya and Mrs S Hooper MBE were invited and returned to the meeting.

440/16/17 CORRESPONDENCE

a. Events in Saltash – Mr Coot.

Dear Madam Mayor

I would like to notify you, and the council, of my intentions regarding events in the town of Saltash.

Saltash has some amazing events, each that hold potential in growing and improving each year.

The events are not-for-profit and run by volunteers. These volunteers give up their own time to make sure these festivals are run the best that they can be for the wider community. These volunteers do fantastic work and should be applauded for their hard work.

Before continuing, I would like to take this opportunity to thank you for all your hard work with the various events and festivals that have promoted the sense of community within the town of Saltash. Without you, there would not be a Christmas festival or Kalan Gwav, and we wouldn't have had any event to celebrate the Olympics in 2012. You have also been instrumental in working with the committees to organise the Regatta and the May Fair events in recent years. Thank you, Madam Mayor, for all of your hard work at making sure the town has events that it can be proud of. Thank you for being an inspirational role

model to encourage others to take voluntary action to do good for the town.

Unfortunately, one of the festivals, that you were instrumental in setting up and running, is now without an organising committee. The Christmas Festival is a much loved event in the town's calendar and it is currently at risk of not continuing. This is a problem that I intend to solve. There are also common difficulties that each committee organising an event in this town must overcome, each year, to ensure that they can go ahead: funding, licensing, equipment hire, etc. Again, these are problems that I intend to solve.

FROST - Planning Christmas:

It is my intention to form a new FROST committee. As you, and the council, are aware, FROST stands for Festive Representatives of Saltash Town. The acronym was created by a good friend to the town, and a good friend to me, Chris Tandy. The recent loss of Chris will severely affect the events of this town as he was truly instrumental in ensuring they always went ahead without a hitch. Chris did this because he loved this town. He wanted to give back to the town. I'm inspired by Chris, and I would like the acronym FROST to continue in his honour.

The first meeting for this new FROST committee will be on **Friday 24th February 2017 at 6pm in the Council Chamber of the Guildhall**. Everyone who wants to volunteer to make the Christmas Festival a success is invited to come along to the meeting. Even if you don't want to be on the committee, you are welcome to come along to share ideas and formulate a strategy.

The new FROST committee will form with six core roles: chairman, vice-chairman, treasurer, secretary, entertainment co-ordinator, and media co-ordinator. We will also be needing general committee members. It will also be requested that the new committee have a representative from Saltash Town Council and the Chamber of Commerce. Once the committee is officially formed, we will contact the council again to request that this is considered.

The committee will use the previous Christmas events as a template and will learn from what went well and what didn't go well to make sure it is a success. Using the information from previous Christmas events, I have already established a provisional budget for the event, which will be proposed to the new committee. Along with this, I have managed to work out how the committee can become sustainable after the first year. It will be proposed that the committee request approx. £2,500

from S106. Within this application, it will be proposed to the committee that, two snow machines be purchased rather than hired. This will lower ongoing costs. It will also be proposed that the fireworks must be a sponsored-only activity. This will mean that if the fireworks do not gain the appropriate funding through sponsorship, then the fireworks will not go ahead. This is to lower costs but also encourage engagement with sponsorship. The new FROST committee will only organise the festival. It will not organise the lights.

Other plans:

It is my intention to submit an application to the Arts Council requesting funding for professional staging equipment and sound equipment. Each events committee will be consulted for their input with what they require in respects of a stage and sound equipment. This will then be reflected in the Arts Council application. An estimate of the funding request will be approx. £6,000. This will then be able to be hired by community organisations for a lower cost than what is available through commercial means.

It is also my intention to submit a S106 application for the creation of a budget for storage costs for the next five years so that each event committee can store their equipment. This will have many benefits:

- The event committees will be able to store equipment without concerns regarding the costs of storage,
- The event committees will easily be able to share equipment as it will all be in one location,
- Lowering overall costs for community organisations that plan town events will, in turn, allow for more money to be spent on the events themselves and, in turn, this will benefit the town centre.

The estimated cost of storage for one year would be £1,400. Therefore, the estimated cost for five years would be £7,000.

A further intention is to set up a bi-monthly meeting of representatives from each event committee to network and discuss common problems. It is my hope that this will encourage greater co-operation and synchronisation between the events committees. It would also negate the reason for the proposed 'town centre manager', as this would instead make use of the existing groups coming together to plan events.

I hope that this letter has given you sufficient information regarding my intentions in easing difficulties that event committees continuously face. If anyone has any questions, I request that they contact me through the contact information found on this letter.

I look forward to seeing anyone interested in joining FROST on Friday 24th February at 6pm.

Yours sincerely,
Matt Coot

It was **RESOLVED** to note.

b. Saltash Short Story Competition – Mr Coot.

Dear Madam Mayor

I have some exciting news for you and for the town! As representatives of the town, I thought it would be appropriate to write this letter to you so that you are aware of, and can disseminate the news to residents, the brand new national writing competition that has been created in this town: The Saltash Short Story Competition.

You will find a press release along with this letter. It will hopefully give you sufficient information about competition. I will also send some flyers and a poster.

It is rather exciting that this has the attention of the bestselling magazine, The Writing Magazine, and has also been taking social media by storm. We are expecting many entries from throughout the UK.

I have been liaising with many authors and other professionals in the literary world to see if they would like to be judges. We can, at this stage, confirm that we have agreement from three published writers: Annalisa Crawford, Jessica Mann and Simon Hall. You, and the other councillors on Saltash Town Council, are the first to know the names of the judges! I will release this news, on social media, following your meeting on 2nd February 2017. I have included short profiles on each of these judges. I am hoping to have agreements from more potential judges soon.

As you can see from the press release, I have been working closely with the Saltash May Fair Committee on this competition. I have been doing this as a private citizen, and under the name of Rallidae Productions, which is the independent film production company that I will soon be launching. The competition is self-funded and will not, at all, request funding from Saltash Town Council. I have not been doing this as a councillor. This letter is merely correspondence to offer some great news and to spread the word of this fantastic opportunity for the town.

If you have any questions or queries regarding the competition, please do contact me or find the competition 'event' on Facebook ("The Saltash short Story Competition"), which can be found through the Saltash May Fair 'page'.

Yours sincerely,
Matt Coot

It was **RESOLVED** to note.

c. Three Rivers Race – Caradon Pilot Gig Club.

On behalf of Caradon Gig Club, I write to give you notice of our forthcoming 'Three Rivers Race' which will take place on Saturday 4th March 2017. We anticipate approximately 40-50 gigs attending this event, which is always popular, it being the first event on the racing calendar.

A few gig clubs may bring their gigs to Saltash the night before the event and these will be parked in the Jubilee Green car park overnight, but the majority will arrive on the Saturday morning from approximately 7:00 a.m. We appreciate that whilst the launching of gigs is taking place, this may cause some delays along Old Ferry Road but will endeavour to keep this to a minimum. We will be using both the slipways to launch the gigs, which should be completed by 9:00 a.m. Trailers will be stored on Jubilee Green whilst racing is in progress. The event should be finished by early afternoon with all gigs being back on their trailers by then.

We will be doing a 'mail drop' to all residents along Old Ferry Road, giving them notice of the event and through a copy of this letter, will also be notifying Saltash Town Council, Ashtorre, Just Be and Saltash Police Station.

Thank you for your co-operation and support of this event.

It was **RESOLVED** to note.

441/16/17 MEET YOUR COUNCILLORS:

a. Arrangements for future meetings.

It was **RESOLVED** Councillors Holley, Mrs J Dent, Coot and Yates will attend the next meeting in Fore Street to be held on Saturday 4th February.

442/16/17 DISCUSSION OF THE STATION BUILDING SITE

Councillor Bickford, Chair of the Station Working Group, reported that assessments carried out by the third party that had been intending to purchase the Station Building site had cast doubt on the viability of their initial financial projections. The third party will carry out further assessments, including a Heritage Assessment, and further discussions with the Town Council will take place after these reports have been analysed.

Dear Fellow Mayors

NATIONAL HEALTH SERVICE (NHS) CAREERS DAY IN SOUTH EAST CORNWALL

I have over the last few months been working on an idea of holding a National Health Service (NHS) careers day in South East Cornwall. For the first time Royal Cornwall and Derriford Hospitals and Cornwall Partnership Foundation Trust are to work together on a careers day.

This letter is asking for your support in involving your local schools, as the target pupils are in years 8, 9 and 10.

Also to ask your Council to support any transport costs to get the children to and from the event.

Having spoken to Jane Pascoe, the Mayor of Liskeard it is hoped to hold it there, this is a more central location with better road, bus and rail connections. The date has yet to be set, but early conversations are that early April would be the most convenient time.

You will have seen many press articles over a number of years about the shortages of staff in the National Health Service.

I hope that this event will inspire our local children to take up a much needed and rewarding career.

Yours faithfully

Councillor Armand Toms
Mayor of Looe
