

APPENDIX A

Proposal is to move from a system where multiple declarations of interest are made on a single sheet of paper by only those Councillors with an interest to declare, to a system whereby all Councillors attending a meeting be required either to declare an interest in matters or to declare as no known interest.

This would require a personalised sheet of paper for each Councillor attending a meeting to make such declarations or otherwise, which would be mandatory. This personalised sheet would be handed to the Town Clerk or Chair before leaving any meeting, providing a comprehensive record with no omissions.

The benefit of the proposed system would allow for any late arrival to make any necessary declaration, which the current system does not easily allow for, it would also allow for any Councillor who finds during the course of a meeting that a declaration of interest might become appropriate even if not anticipated at the commencement of a meeting.

This would remove much, if not all, of the ambiguity surrounding the current system and would not penalise a late arrival nor an unexpected necessity to make a declaration, this the current system does not easily accommodate.

It is my understanding that on one recent occasion a late arriving Councillor did not find the opportunity to enter a declaration on the relevant sheet, but did leave the room at the appropriate time, this leading to potential for reporting to Standards. On another very recent occasion, a Councillor did not anticipate the implications of a planning application until moments before it was due to be discussed, with realisation that neighbours to the property concerned were acquaintances or friends who might be adversely affected.

It is my opinion that the current system is no longer fit for purpose, as has been demonstrated by recent events and I would therefore commend this proposal to Full Council.

Report to Saltash Town Council: February 1 2018

It has not been long since we last reported to you, so here is a quick update. Directors met formally on January 24.

Community Transport Our biggest decision was to keep the Derriford service going. We are hoping to move rapidly to a different form of Licence (s22) which will not only enable us to claim fuel tax refunds and achieve more grant aid, but to use bus stops en route to the hospital which may enable us to attract different passenger journeys. This should help reduce our current losses. There will be publicity about this in due course.

18 Belle Vue Road We still have one vacant room to let, and we would appreciate hearing from any councillor who knows anyone who might be interested in considering a rental. We hear that prospects for funding Citizens Advice Cornwall have improved.

Health and Care The NHS St Barnabas Group met recently after a 5-month gap. It was poorly attended by the key managers, and no news of any action to implement earlier ideas was given. This was the cause of much disappointment for community representatives. The best we can hope for is an early date for a fully attended meeting to look at the actions needed in the town on Minor Injuries services and beds. The two Patient Groups at the local Surgeries which we support informally are a great asset to the town, aiding our capacity to speak up on important issues. Additionally, a pilot "Lifestyle Course" run by patients at the Saltash Health Centre has received excellent feedback.

Dementia Voice The Tuesday Group at 4 Fore Street is still going strong, and the Veterans Group on alternate Saturday afternoons has just celebrated its first birthday. It has moved to SHADO as numbers have increased.

Other Enterprises and Activities All ticking over. We have several new ideas for Enterprises in the pipeline which will be brought forward as proposals are drafted.

Dear Sheryll,

Re: St Barnabas Hospital Ref: ZA32720**Constituent: Councillor Jean Dent, Saltash Town Council, 12 Lower Fore Street, Saltash, Cornwall**Thank you for your letter dated 24th November 2017.

You will be aware that the future of all local services including community hospitals are being reviewed as part of our Sustainability and Transformation Plan, Shaping Our Future. This includes discussions regarding the future of St Barnabas Hospital Saltash. I understand that Jean Dent, Mayor of Saltash, is one of the many stakeholders currently involved in a group led by Phil Confue, Chief Executive, Cornwall Partnership NHS Foundation Trust. This stakeholder group has been reviewing the service needs in the Saltash area and how we might best serve the local population. We remain committed to working with the local community to determine the future of local services in Saltash. The meetings have been fairly regular and the last meeting was expanded to a full day 'Sprint' event on 6th October 2017 where health and social care practitioners who work in Saltash met with voluntary sector organisations and those that run local community activities to see how we can jointly support people in the local community.

I have been assured that the Stakeholder Group will continue to meet to discuss the future of services in the Saltash area but if I can be of any further assistance, please do not hesitate to contact me.

Yours sincerely,

Iain Chorlton

Subject: Future of Saltash Tennis Centre

Dear Madam Mayor

I write to ask for your support for the continuation of tennis at Saltash Tennis Centre.

Cornwall County Council served notice on the annual roll over lease for the facility in 2017, followed by the release of a tender document a couple days ago which they require to be completed and returned by the 16th February 2018. This is totally unfair as a Business Plan needs to be up to date and presented in a way that captures up to date funding, year on year costs of running the club, the level of capital investment to make it fit for purpose and deliver the sustainability requirement within the 30 year lease. We would then have to identify funding sources, grants etc to support this investment and understand the affordability of the project all within a 3 week period!

There has been a tennis club at its present location for more than 70 years but since the formation of a unitary authority in Cornwall there has been no investment in the infrastructure, all works to try and keep functional hard courts and the club house being undertaken and funded by the club.

However, the club needs significant investment to replace the crumbling hard courts but also with regret, replace the two grass courts with all-weather courts. These can only be used subject to weather and in the summer months.

As you will know the Government is keen on supporting children of all ages giving them access to sports facilities in a local area, which is what Saltash Tennis Centre does. We have over 200 mini tennis players registered at our tennis club, not only from Saltash but from a wide country area. This enables them to play tennis throughout the year at a very low cost and with superb coaching with our Level 1 coach, as well as playing at other times and entering competitions should they wish to do so.

I would therefore ask you to do whatever you can in your power to support our Tennis Club.

Yours sincerely

Jill Cansfield
Secretary – Saltash Tennis Centre

Dear Ray,

May I on behalf of the management team of the Saltash Music Speech and Drama Festival, thank Saltash Town Council for the most generous donation of £1,000 towards the running of the festival as per our application in 2017.

This funding will certainly assist the Festival team to maintain the high standards that is rightly expected of a Festival of our longevity and quality.

This year will be our 28th Annual Festival, and we have warmly welcomed the Saltash Town Council's financial support over the past 28 years!

Thank you and the Saltash Town Council once again for your continued interest and support.

I feel sure you will advise Councillors of my letter of thanks on behalf of Saltash Festival.

Yours sincerely

Subject: Christmas Festival 2017

Jean

On behalf of the Chamber, I would like to thank STC for the support and positive feedback received from several councillors re the above. As you are aware, we took on responsibility for the event at relatively the eleventh hour and there were one or two hiccups but we believe that, overall, the event was a success and we are hoping to build on this for 2018.

We are already working on the planning for 2018 and will be submitting a S.106 application in the near future which, we hope, will be supported by STC and are looking at opportunities for the festival to be self-funding in the next few years.

I would especially like to thank the Services committee and its Chairman for its positivity expressed to my Vice Chairman who was the main kingpin of the event] at last week's meeting.

We believe that this Festival demonstrates the ability of the Chamber and STC to work together. Would you pass on the thanks of the Chamber to all councillors.

Dear Sir/ Madam

On Tuesday afternoon January 23rd I was witness to an incident on the Waterside involving a person seen and dragged from the Tamar, supposedly having jumped from the bridge.

I would like to commend the prompt action taken by employees of the Town Council working at that time on the foreshore along with others resulting in bringing the person ashore and their close attention until the emergency services arrived. It is almost certain that without their vigilance and action in responding to the situation a tragedy was averted, given the conditions at the time and the state of the person involved.

The presence of a safety buoy on the jetty was critical in the incident, allowing those who came to the rescue to reach the victim who was clearly exhausted when pulled from the water.

Please make my commendation known to those involved.

Yours truly,

Bill Ryan

Dear Madam Mayor,

I would like to volunteer as Tree Warden for Saltash. This would be an appointment by Saltash Town Council under the Cornwall Parish Tree Warden Scheme, supported nationally by the Tree Council.

My overall aim would be to preserve, renew and expand our established trees and wooded areas for the benefit of Saltash community.

The roles I hope to achieve would include:

- Advise the Town Council on issues involving trees, and look for their support in achieving the overall aims
- Liaise with Saltash Apple Project run by Sho Frank; with Saltash Environmental Action Group; and with other interested community groups
- Continue our previous Warden's oversight of Elwell Woods in particular, and trees in Saltash in general, identifying threats and seeking solutions, and identifying new projects
- Coordinate a proposed group of 'Tree Guardians' in Saltash, each keeping an eye on trees in their area, particularly any newly planted ones, and help identify sites for future planting.

I hope the Council are willing to support my application.

Yours sincerely

My ref: 2018 Parking Order
Date: 22 January 2018

Dear Saltash Town Council

Re: Proposal to change car parking charges proposals - 2018 Off-Street Parking Order

I am writing to update you on our car parking proposals across Cornwall Council-owned car parks from 01 April 2018.

The first of these changes is to offer residents more flexibility in the way you pay for parking charges.

Recent investment in new technologies means that the Council will be able to offer new permit systems through 'Just Park' on the phone, app or website.

Residents will be able to buy parking permits which are fairly priced and based on a pay-per-trip basis. This will mean that regular car park users can purchase a number of car park sessions at a significantly reduced rate. This is a big improvement in particular for part-time workers, as they will be able to access the reduced rate even if they only use the car park once a week.

Our Just Park technology will also enable local businesses to easily refund car parking charges to their customers which we hope will be a great offer for local traders.

Car park charges (winter and summer tariffs) have remained the same for the last three years. This year the Council is proposing to make changes to help support the evening economy of our towns and villages, help manage the demands in our most congested areas and help to address air quality issues by encouraging the use of public transport.

Attached is the formal notice which sets out the proposed changes. Below are the key points:

From 1 April 2018:

- All Cornwall Council pay and display car parks will be free in the evenings.

Konsel Kernow
Cornwall Council, Parking Services,
PO BOX 664, Truro, Cornwall, TR1 9DH
Tel: 0300 1234 100 www.cornwall.gov.uk

- Car park tariffs will be standardised in our most congested areas, areas which are well served by public transport and/or where there is heavy demand on parking spaces. This means seasonal tariffs will be the same for all Council car parks in Falmouth, Newquay, Penzance and St Ives. In Truro the charges will apply all year round. We are proposing to set tariffs in the car parks in these areas at £1.50 per hour up to £8 to park for 24 hours. There will also continue to be 30 minute parking options in Falmouth, Penzance, St Ives and Truro.
- Charges for reserved spaces have remained the same for three years while in the same period the demand for the spaces has increased. We are therefore increasing the cost of reserved parking permits to bring them more into line with their market value. These will be able to be purchased by Direct Debit to help spread the cost.
- As a result of making changes in the above areas, tariffs in all other Council car parks will remain as they have done for the last three years.

You can read more about the proposals on our website www.cornwall.gov.uk

The Brunel Inn, Saltash.**

I refer to your representation in relation to the application for grant of premises licence in respect of the above.

I would confirm that the Council's Licensing Act sub-committee considered the application on 03 January 2018. I have attached, in order to confirm the decision, an extract from the draft minutes. A full copy of the published minutes will be available in due course on request.

I would inform you that where a person who made a relevant representation desires to contend (a) that the licence ought not to have been granted, or (b) that, on granting the licence, the licensing authority ought to have imposed different or additional conditions, or to have taken a step mentioned in subsection (4) (b) or (c) of section 18 of the Act then there is a right of appeal.

Such appeal must be made to the magistrates' court for the petty sessions area in which the premises concerned are situated and must be commenced by notice of appeal given by the appellant to the justices' chief executive for the magistrates' court within the period of 21 days beginning with the day on which the appellant was notified by the licensing authority of the decision appealed against.

4. The Town Council had two or three reports from residents.
5. Closing times of other public houses within the local area had not been seen as relevant to this application.
6. The Police suggested a closing time of 01:00 with 20 – 30 minutes drinking up time.

Applicant's Final Submission

In their final submission, the Representative highlighted that:

1. Apart from the opening weekend and Christmas Eve there had been no reported nuisance.
2. There had been several conditions already agreed with the Police.
3. Three residents had objected although they had not been in attendance to present any reasons.
4. The premises would be a valuable asset to the community.
5. All fire exits would be open.

Points of Clarification Requested by the Sub Committee

Further to the Representative's final submission, the following points of clarification were made:

To ensure the business was viable the supply of alcohol until 01:00 is requested.

It was moved by Councillor May, seconded by Councillor Nolan, and

RESOLVED that under Section 100A(4) of the Local Government Act 1972 (as amended) the public be excluded from the meeting for the following item of business on the grounds that it involves the likely disclosure of exempt information as defined in Paragraph 5 of Part 1 of Schedule 12A of the Act – namely: Information in respect of which any claim to professional

privilege could be maintained in legal proceedings – and that proceedings apart from the resolution passed shall remain confidential.

It was moved by Councillor May, seconded by Councillor Nolan, and

RESOLVED that the press and public be re-admitted.

Upon re-admission of the press and public, the Chairman invited the Legal Officer to advise of the Sub Committee's proposal.

It was moved by Councillor May, seconded by Councillor Martin, and

RESOLVED that

The application for a variation of the premises licence for the Brunel Inn, 92 Fore Street, Saltash be refused.

Members in reaching their decision considered the report, all the representations, the relevant provisions of the Licensing Act 2003 and delegated legislation made thereunder, the guidance given to licensing authorities by the Government, and the Council's own statement of licensing policy.

The application was to allow for the licensing activity for the performance of dance and to amend the hours for live and recorded music, late night refreshment, the supply of alcohol and the hours the premises are open to the public. The application also requested the substitution of proposed conditions agreed by the Police for the existing conditions.

The application received representations from the Council's Licensing Compliance Team, the Police, the local Town Council, the local Ward Member and five other persons.

The representations that most concerned members regarded the existing crime and disorder and anti-social behaviour in the area, particularly on Fridays and Saturdays and the potential for an increase in such activities should the application be granted.

Members had to carefully consider whether the effect this application would have on the licensing objectives, particularly the prevention of crime and disorder objective. They also had to take into account that there were existing crime and disorder and anti-social behaviour issues in the area.

Members concluded that they could not allow the increase in activities and hours without appropriate conditions and could not allow the hours applied for on Friday and Saturday nights. The applicant offered proposed conditions which were agreed by the Police included conditions relating to CCTV, door supervision, incident books, escape routes, exit doors, fire doors, notices, noise prevention measures and a Challenge 25 policy. These conditions would replace the existing conditions.

Members found that these conditions would prevent the licensing objectives from being undermined. They could therefore grant the application but subject to all the proposed conditions and for the hours applied for except for the following:

Recorded Music (indoors)

Friday – Saturday 12:00 – 00:30

Performance of Dance (indoors)

Friday – Saturday 12:00 – 00:30

Supply of Alcohol (for consumption on and off the premises)

Friday – Saturday 10:00 – 00:30

Hours premises are open to the public

Friday – Saturday 08:00 – 01:00

It was agreed with the applicant that the hours for Christmas Eve and Christmas Day would remain the same.

Dear panel members

On Friday 26 January 2018 a meeting was held to discuss Cornwall's 'Case for Action' for the A38. The meeting was attended by Sheryll Murray MP, Cornwall Council, Plymouth City Council, AECOM, Highways England, SECTA and the FSB, wherein all agreed that this is a cross party, non-political group that is positively working towards improvements on the A38 between Bodmin and Plymouth.

The 'Case for Action' will involve an economic assessment of improved connectivity of the A38, which will be submitted into the ongoing consultation for the Department of Transport's Road Improvement Strategy (RIS), which will cover the financial years 2020/21 to 2024/25.

As this is a public consultation it was agreed at the meeting that all partners would contact their various networks to encourage them to respond to this consultation by the closing date of **7th February 2018**.

Dear Saltash Town Council

Women on the Move – International Women's Day

Plymouth Citybus, as part of the Go-ahead Group, is set to showcase the role of women in transport, on historic Plymouth Hoe against the stunning background of Plymouth Sound. The full range of women's contributions to keeping Britain moving will be brought into full focus on Thursday 8th March 2018 at 11.15am, in support of International Women's day, and we would like to invite you to attend our event.

Women have played a key role in transport for over a century but their role is rarely recognised. Today women keep our economy on the move, they are involved in all aspects of the logistics required to keep the nations vital transport arteries open. For the economic prosperity of Britain and the wider world it is vital that these skills are recognised and supported now and in the future.

As hosts, we shall be showcasing many of the skills of our female bus drivers, ably supported by colleagues from other logistics and transport related industries and the emergency services.

We believe that this is an excellent opportunity for Plymouth to highlight the roles of women in transport. We would welcome your participation in this unique event which is the first of its kind for Plymouth.

If you are able to attend please email pa@plymouthbus.co.uk or telephone **01752 264203** by 14th February 2018.

Yours sincerely,
