

## What makes the FairFX Expense Card and Platform great?

- Free to use in the UK and get market leading exchange rates abroad
- Increased control and transparency: staff only spend what you load
- Up to 20% reduction in expenses spend through better control and transparency
- Secure Chip & PIN Mastercard® cards accepted in millions of outlets and ATMs worldwide
- Easy account setup within 48 hours and cards typically arrive within 5 working days
- Cards can be issued to non-UK nationals and staff based overseas
- Instantly load cards and move funds between cards through online platform
- Mobile app to check funds, request top-ups, annotate transactions and upload receipts
- 24hr emergency card support line for queries outside office hours
- 3D-secure to protect online payments
- Activate your card and receive a PIN reminder straight from the app

Plus an integrated Expense Platform that allows you to track, report and manage your team's spending.

1. Control spending – staff only spend what you load
2. Easy account setup & get cards within 5 working days
3. Issue cards to non-UK nationals and staff based overseas
4. Instantly load cards and move funds between cards in real time

# Use FairFX Corporate Cards to

-  **Save:** avoid expensive credit card charges and rip-off currency fees
-  **Pay:** contractors and freelancers all over the world can receive funds by simply loading their cards
-  **Purchase:** buy goods and services online at home and abroad

## How does it work?

The FairFX Corporate Card solution consists of 4 key parts linked into 1 easy to use system:

1. **Corporate Card:** Chip & PIN secure prepaid Mastercard® cards accepted in more than 210 countries
2. **Expense Platform:** An integrated online platform that allows controllers to manage card balances, top-up multiple cards at the same time, create reports, record VAT amounts, upload receipts and more
3. **Dedicated Support:** Your FairFX Account Manager is on hand for support and assistance
4. **Mobile app:** Check your balance, request a top-up and contact our support team on the go
