Dear Saltash Town, Councillors

Saltash Town Council's Boundary Stones

May I ask two questions at the next Saltash Town Council meeting about Saltash Town Council's (1934 Borough of Saltash) Boundary Stones?

1. Could Saltash Town Council please repair, maintain and protect them:
and
2. Please could Saltash Town Council apply for them to be 'Listed' by Historic England.

I enclose two photographs of each Boundary Stone taken today with a map showing their positions.

Thank you.

Yours sincerely,

Peter Clements.
