

To: Town and Parish Councils in the Cornwall Gateway CNA

Dear all

I am writing to inform you of a new scheme that has been developed by the Cornwall Council Employee Volunteering Scheme and CRCC (Cornwall Rural Community Charity), which provides an opportunity to undertake volunteering projects in the community, with up to one project in each of the nineteen Community Network Areas (CNA).

Each Town & Parish Council can submit an expression of interest for one project that is happening in its area which could be supported with volunteers for either one day, or the equivalent time spread over a number of days. This could be anything that could enhance the community for example, litter picking, beach cleaning, painting benches or village halls. Cornwall Council Members will also be invited to submit an Expression of Interest for a project in each CNA.

Attached is background information to the scheme plus an expression of interest form.

If you wish to apply, please return a completed expression of interest form to me by 12th April 2019.

With kind regards
Catherine
