

Road Safety and Community Speed engagement event - 14 May 2019

Dear Town and Parish Councils and community volunteers,

Invitation to Road Safety and Community Speed engagement event
14 May, 9.30am – 1.30pm
County Hall, Truro, TR1 3AY

You are invited to join us on 14 May, 9.30am to 1.30pm, at County Hall, Truro at a special Road Safety and Community Speed Initiatives event for Town and Parish Councils and community volunteers, to learn about and discuss community safety and explore ways we can work together to deliver better outcomes.

Keeping people safe on our roads is important to all of us and feedback through Community Network Panels and Safer Towns Partnerships has highlighted for us an increased interest in Community Speed initiatives. This event brings together Cornwall Council services with advocates from Town and Parish Councils, and community groups and is an opportunity to provide collective learning from best practice and some consistency of approach.

Following this event, if there is appetite to develop this area of work together, we could develop a regular Community Road Safety Forum. We hope you will join us to discuss and help progress work in what we think you will agree is an important subject.

Speakers from Devon and Cornwall Police, and Cornwall Council's Road Safety, Highways, and Localism services will cover:

- Wider Road Safety context including education, training and awareness
 - Enforcement, policing our roads, and safety cameras
 - Community initiatives including: Speed visor and Community Speed Watch
-

- Highway Authority statutory duties and delivery
- Cornwall's Road safety casualty reduction strategy
- Collision Investigation, safety audit and safety engineering
- Highway maintenance, traffic counts and speed readings

Breakout sessions will provide you with the opportunity to discuss your community response to these opportunities following this event and there will be a plenary questions and answer session for you to provide comments and raise any issues or concerns.

We hope you will be able to join us.

RSVP:

Please RSVP by 7 May 2019 email to infohub@fire.cornwall.gov.uk. Please include in the subject field: *Road Safety and Community Speed Event*.

Kind regards
