Subject: Visit of Italian National Rowing Team

Dear Mr Lane,

I'm delighted to contact you to advise you that 2 crews from the Italian National Fixed Seat Rowing Federation will be travelling to Saltash to take part in the CPGA Mixed Gig Championships hosted by Caradon Gig Club, and Saltash Town CRA regatta hosted by Saltash Rowing Club. They will be staying in Saltash.

Each year several clubs from the South West and Wales travel to Italy to take part in the European Fixed Seat Championships. Last year we were welcomed by the mayor of Corgeno.

This year will be only the second time the Italian Federation has sent crews to Cornwall. Last year they took part in Mounts Bay and Mousehole regattas. A welcome evening was held at Penwith College which the Mayor of Penzance, and council members of both Penzance Town Council and Cornwall Council attended, together with representatives of the CPGA and CRA.

For this year I am writing to enquire whether Saltash Town Council would be interested in hosting a welcome evening. It would be early [evening on Friday 21st June](#).

I would be quite happy to meet to discuss any potential arrangements with you.

I look forward to your reply,

Mrs Bev Davis

Chairman CRA
