Subject: Saltashcard launch

FAO; Town Clerk

Hello,

I am one of the Directors of Community Enterprises PL12 CIC, & we are leading the re-launch of the Saltashcard.

We are in the process of designing flyers, window stickers & banners to advertise the Saltashcard, and as Saltash Town Council is a partner organisation, we would like to put the Saltash town Council emblem on said material.

The old-style Saltashcard used the blue "Saltashe Sigilum Aqvate" emblem; however, as the new marketing literature has a blue background, this won't stand out. We would therefore like to use the darker "Salteashe Sigilum" emblem on the marketing material.

I would be grateful if you could give permission for us to use this emblem and email me a copy of it for these marketing purposes. I understand it will have to be agreed at the next full council meeting at the beginning of June. This would give us just enough time to include it on our literature in time for the launch of the Saltashcard at Saltash Regatta.

Many thanks in anticipation,

Joanne Baskott

Director
Community Enterprise PL12
