Our bid is for £1,000 to replace one pair of the goalposts at Warfelton. These goalposts have been in place many years and are rusty, not fit for purpose and we suspect are dangerous.

We have recently been awarded a grant of £1,000 which will replace the adult posts on the bottom pitch. By having both sets replaced at the same time will result in a considerable saving.

The replacement of the posts will fit in well with the recently established landscaping at Warfelton. It will considerably improve the leisure experience of the 174 registered players with Saltash United Juniors. It will improve the area in terms of appearance and vista. The residents will benefit as will dog walkers.

The replacement goal posts have a portable element to them which means that in the Summer they can be removed. The council used to do this but this has not been the case in recent years. We plan to do this and the whole area will be enhanced with the unsightly and frankly dangerous posts being removed and new ones in place which meet safety and FA standards, but also enhancement of experience and vista in the summer with no goalposts at all.

I have enclosed photographs showing the current state of the goalposts. We have received support from Cornwall Airport for one set of goalposts of £1,000. This grant was awarded as part of the sponsorship of the Duchy League which the Cornwall Airport has initiated. The bid we made was deemed the most appropriate out of seven bids that were made. There will be considerable publicity attached to this and we can include further references to a successful outcome on this current bid

Once approval has been granted and the funds available the project to remove the posts can start immediately by the end of July 2019.

The siting of the posts will take place prior to the start of the season due August 17th but games can be deferred to the beginning of September.

The quotes are attached.
