Dear Gloria,

Very many thanks to you and the Town Council for your kindness and hospitality yesterday. It was a real pleasure to return to Saltash: Katharine & I felt very privileged to be with you for what was another heartwarming and impeccably-organised occasion. Like the Mayor-Choosing ceremony, your Service evidently commanded a fantastic level of support locally and it was lovely to have the chance to stay on afterwards & talk to some of your colleagues as well as our fellow-guests.

If it is not invidious to do so, I would like to make special mention of the Cadets – both Fire Service and Maritime – whose attendance and smart turnout was a real credit. That they took such evident pride in playing

the remainder of the year

Yours sincerely,
