Saltash Town Council - Grants Policy

1. Policy/Procedure Background

This document sets out a clear and structured procedure for grant applications being submitted to Saltash Town Council.

This procedure is prepared in accordance with the Town Council's policy on grants in paragraph 2.

Saltash Town Council is committed to support a range of causes each year within a limited budget. It is therefore imperative that the Town Council has in place an established method of scrutinising grant applications to ensure it uses its budget to the best possible effect.

Applications will be considered providing sufficient funds remain in the budget.

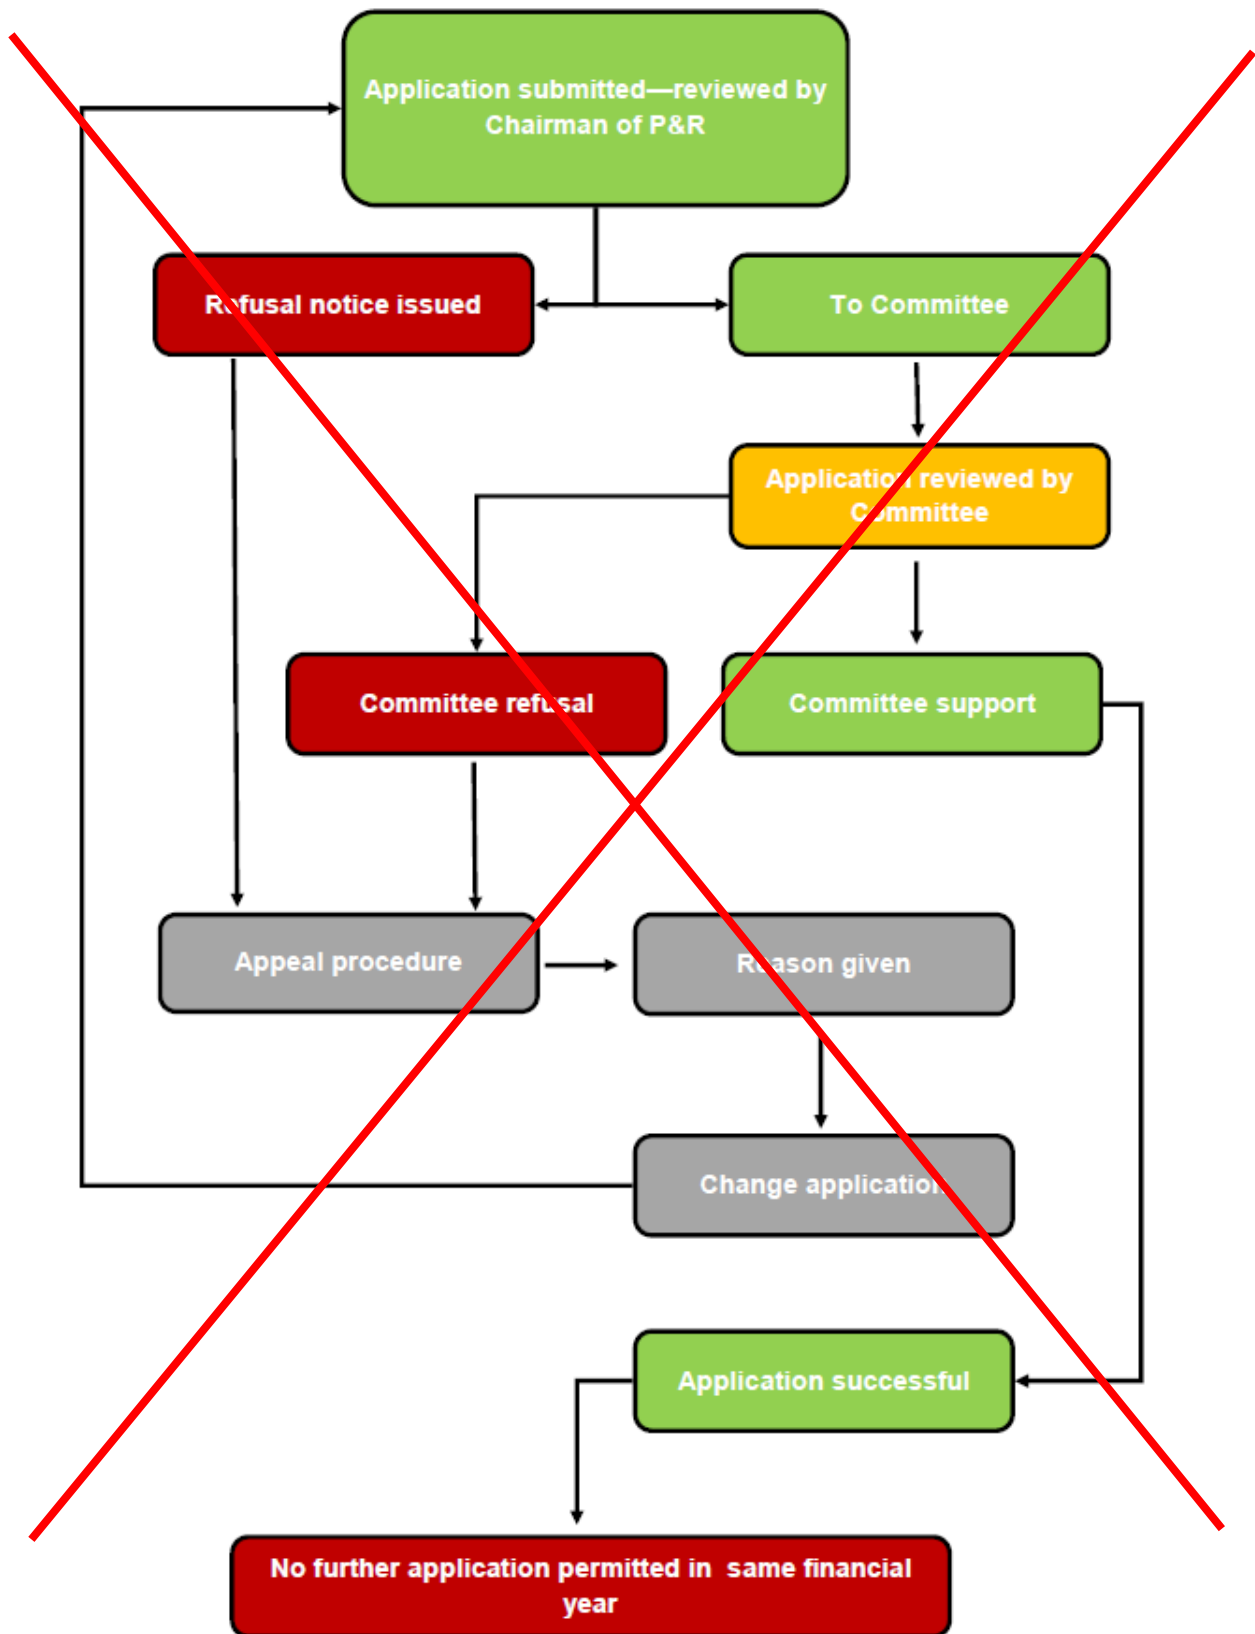

2. Policy Statement

A grant or subsidy is any payment made by Saltash Town Council to be used by an organisation in the furtherance of the well-being of the community, either generally, or for a specific purpose and which is not directly controlled or administered by Saltash Town Council. The purpose of any grant or subsidy given by Saltash Town Council is to support initiatives in the local community and to help create opportunities for the residents of Saltash that are not, as a matter of course, funded by Saltash Town Council or Cornwall Council.

3. Application principle

Applications must be fully completed and assessed against a set of criteria laid down by members of Saltash Town Council.

4. Application process **DELETE**

Application Submitted

Applications should be made using the Grant application form (Appendix 1). Applicants should ensure that all relevant documents are included or there may be a delay to the application being considered. **It is the responsibility of the applicant to ensure that the application is submitted at least 20 working days before the meeting of the Policy and Finance Committee.** Successful applicants will be expected to clearly acknowledge the support of the Town Council on publicity material and sufficient time to undertake this should be factored in when submitting the application.

Application reviewed by Chairman of Policy and Finance Committee¹

The application will be reviewed by the Chairman of Policy and Finances Committee against the eligibility criteria (listed in this document) and will either notify the applicant of refusal with details of the appeal procedure or approve it and submit it to the next available meeting of the Policy and Finance Committee.

1. Chairman Refusal

This section provides details of possible reasons for the Chairman of the Policy and Resources Committee refusing an application. It is not an exhaustive list and attempts to provide clarity over some of the topics which are considered:

- a. Application does not meet the eligibility criteria
- b. Application is not complete
- c. Further information requested on an application has not been received in good time and no-communication has been achieved with the applicant
- d. Standard mandatory requirements are not in place/being met
- e. Does not fit in with the Key Priorities of the Town Council
- f. Similar applications have been rejected
- g. Following an established precedent
- h. Such an application would set an unfair or unsustainable precedent for future applications of a similar nature
- i. The project is considered too high risk for public funds to be contributed to it
- j. The business case is considered flawed or unsustainable (if appropriate)
- k. The Town Council does not hold any more funding for grants and there are no suitable reserves that could be utilised
- l. Any other relevant reason(s) which are considered important enough to warrant refusal to safeguard the Town Council and the local public funds.

¹ If the Chairman is unavailable, the Vice Chairman will undertake all roles outlined in this document

- m. If an application has been submitted in the last 12 months it will be refused.
- n. Appeals that have been refused by the Chairman may not apply for a grant for the same or similar scheme until 12 months from the date of refusal.

2. Automatic Refusal

An application will automatically be refused with no appeal rights if it is an application for the same or is similar to a previously refused application.

3. Appeals Procedure

a. The Appeals Procedure is only available to applicants at the initial stages of the process where the Chairman of Policy and Finance has refused the application.

The applicant has 30 days from the date of refusal to appeal the decision, irrespective of when the applicant receives a refusal notice (which may be via email or in the post).

- b. To appeal, the applicant needs to do any of the following:
 - i. answer and justify any observations made to the satisfaction of the Chairman
 - ii. provide information which is required by the Chairman
 - iii. put forward a strong case for the Chairman to re-view the decision taken
 - iv. give further clarification on how the application meets the normal qualifying criteria

Successful appeal

Where the Committee Chairman considers the appeal is valid and meets required criteria the application will be placed on the agenda for the next Policy and Resources meeting.

Application submitted to committee

The Policy and Finance Committee will consider applications at the next available meeting. The applicants will be invited to attend the meeting to answer questions and will be given at least five working days' notice. If an applicant is unable to attend the Committee Chairman may defer the application to a future meeting.

Application successful

Successful applicants will be advised in writing and given two months to apply for funding to be released. Any conditions placed on the funding will have to be met before funds are released. If the applicant wishes to extend this period, the request should be put in writing which will pass this to the Committee Chairman for a decision.

Application refused

If an application has been heard by the Policy and Finance Committee and been refused, the applicant cannot reapply or submit a further grant request for the same or a similar project for a period of 12 months. Any application received will be automatically rejected without appeal or the option for a member to call in the application.

5. Types of grant and funding limits

Saltash Town Council has two separate funds available to the local community. To enable as many organisations as possible to benefit from the grants, there will only be one grant per organisation permitted in any financial year.

The Community Chest supports small scale community projects intended to improve the town environment to strengthen the community fabric or the common economy of the town.

The Festivals Fund supports larger events that are free, 6 to 7-hour long events likely to attract several thousand people. Other festivals may be considered

Both funds have a cap on the amount which can be awarded:

The Community Chest grant will not exceed £1000.

The Festivals Fund grant will not exceed £1500 per day up to a maximum of two days per event.

6. Normal Eligibility Criteria

This section outlines the normal criteria organisations have to fulfil for grants.

- n. Any underspent portion of the grant must be returned to Saltash Town Council within 12 months of the award.
- o. Where equipment has been purchased using grant funding and is going to be disposed of the Town Council should be given the opportunity to have the items returned to them so that they may be offered to other eligible organisations.
- p. Administration of and accounting for the grant is the responsibility of the recipient.
- q. The Town Council reserves the right to request any further information that it deems necessary to assist the decision-making process. Account will be taken of the amount and frequency of previous awards and of the extent to which funding has been sought or secured from other sources or own fundraising activities.
- r. In the case of the grant awarded for projects for which additional grant funding is to be sought to enable the project to proceed, the funds

Definition of Voluntary / Community Organisation

For the purposes of Saltash Town Council's Community Grants Scheme, a voluntary or community organisation is:

1. **Formal.** It has a formally-constituted character (excludes informal groups, households, families and friends) and may be a company limited by guarantee, a housing association, an unincorporated association, a friendly society, etc.
2. **Private.** It is not a part of government, established by statute or royal charter, or under a substantial degree of executive control by government (excludes universities and non-department public bodies); it may include consortia composed of local authorities and others (e.g. local regeneration and development bodies), if the consortium is formally constituted and, at the very least, given a name
3. **Self-governing.** It has its own decision-making system and usually a formal constitution with procedures for accountability to independent trustees or its own members or constituents (e.g., excludes any so-called "self-help groups" which are in fact directly run by clinicians)
4. **Non-profit-making and distributing.** It does not distribute any surpluses to owners or members but spends them on serving its basic purpose (excludes commercial concerns but includes organisations which charge users or the public for services, undertake contracts for statutory bodies or operate commercial subsidiaries which trade and transfer profits to parent organisations)
5. **Non-political.** It is not engaged in supporting candidates for political office (excludes political parties but includes campaigning and pressure groups, even though they are not eligible for charitable status e.g. Greenpeace, Child Poverty Action Group)
6. **Voluntary.** It has an element of involvement of volunteers (some voluntary and community organisations appear to be entirely reliant on paid staff; however, their trustees or committee members are, in fact, their only volunteers).

While this definition applies to formal organisations (those with constitutions or rules and which probably are registered with the Charity Commission, local authority or intermediary bodies, etc.), less-formal groups based in neighbourhoods or local communities are not necessarily excluded.
