

Hello,

I hope you are well and sorry to contact you in this way, but I am hoping that you may be able to help us.

The Church is looking at doing a small project that will see us update our building in the following ways:

An addition of a lift

New flooring

New Chairs

New Kitchen

New Staging

We believe that these improvements will help the community groups that meet in our building.

What we were wondering is if you, in your position with the council, would be willing to write a simple letter of support for this project, so that as we go out for funding we can show that we have the support of those using the building already.

If you would be willing, we would be most grateful. I attach the project outline so that you can see a little more detail about it.

Many thanks

RECEIVED SALTASH BAPTIST CHURCH
