Dear Saltash Town Council

On Church Road, Saltash there is a section of un-adopted green area left over from the developer many years ago. We receive many complaints and defects against this area every year that we reactively deal with at public expense, but the area is now becoming unmanageable.

Would the town council support Cornwall Council clearing the area of trees and shrubs, this way its more manageable for ourselves and safer for the residents and users of the footway.

I look forward to hearing your thoughts.

Kind regards,
