Report re-: Saltash Youth Council   / Cllr Julia Peggs

2019 was a year of two halves, a great deal of work by everyone that ended in disappointment, the cancellation of Mission Youth event due to adverse weather, but safety must come first .Then efforts into the "Youth Awards" were cancelled due to insufficient nominations, and was not financially viable to proceed .However, the successes outweighed the failures, as a great many organizations and individuals benefitted both financially and morally because of STYC.

In November STYC were active in Callington Honey Fair providing assistance and erecting a marquee for Pasty Making. A success that will hopefully be replicated at Saltash May Fair 2020.

Volunteers for various organizations e.g. Rainbows, Brownies, Cubs etc are desperately needed as there are huge waiting lists in Saltash for children to join.

The Core have recently signed a 30 year lease, so are secure with their future property, and continue to do great work in Saltash .Livewire also continues to do fantastic work, supporting mental health and wellbeing of our young people We should be very proud of the work undertaken by the above, and other organizations like The Junk Yard and many more.

Grants given by STYC include-:

£250 the Core Summer activities

£250 Saltash rugby club, end of season awards

£150 Hazel Lightly, help with expenses for ballet dancing in Hong Kong
