

A message from the Mayor of Saltash Councillor Gloria Challen:

Dear residents of Saltash,

On behalf of Saltash Town Council, I send my sincere thoughts to all the residents, schools, churches, residential homes, businesses and organisations of Saltash at this very difficult time during the Coronavirus Pandemic.

I would like to thank all those wonderful people that are coming together to offer help and assistance to the vulnerable people and elderly of our town, which has been overwhelming.

In line with the current Government recommendations Saltash Town Council staff are working from home and operating a reduced service. We apologise for any inconvenience and we intend to maintain a level of service for the community.

Saltash Town Council website is updated on a regular basis. I ask all those that have online access to visit our website <https://www.saltash.gov.uk/coronavirus.php> for further information and useful links. Please bear with us regarding updates as you can imagine the situation is ever changing and we are doing our best to update our site and social media.

If you don't have online access you can contact the Guildhall on 01752 844846 where a member of staff will be happy to assist.

Thank you for your continued support.

Keep safe

Mayor of Saltash - Councillor Gloria Challen
