

Councillor Comments: Deadline Thursday 9th April 2020

PA20/00030

Proposed two storey extension to the front & internal alterations.
1 The Long Barn Notter Saltash Cornwall PL12 4RN

Councillor Richard Bickford:

I support refusal.

Councillor Gloria Challen:

Looking at the plans I'm not sure if there are any grounds for refusal. Reading public comment this would look like the extension would be over the boundary line. On this application I would like to abstain

Councillor Jean Dent:

I would recommend refusal as over development of the building especially with regard to the comment from the neighbour. As a barn conversion it takes it into a whole new perspective.

Councillor Mark Fox:

I recommend refusal on the grounds of over development.

Councillor Sarah Martin:

I agree with all the others that we should recommend refusal on the grounds of overdevelopment.

Councillor Steve Miller:

Refusal as noted previously

Councillor Julia Peggs:

I also recommend refusal, for exactly the same reasons as Pete.

Councillor Bill Phillips:

I vote refusal in line with the neighbours comments,

Councillor Averil Pinckney:

Refusal

Councillor Julie Rance:

I would recommend refusal too for same reasons given

Councillor Brenda Samuels:

I recommend refusal going along with all the other views

Councillor Pete Samuels:

I would also recommend refusal on the basis of over development and unacceptable change to the character of the property.

I also note the objection of the neighbour of this semi-detached property, together with their concerns that the proposed extension is beyond the existing front line of the properties.

Councillor David Yates:

I recommend refusal.

Grounds:

Out of keeping with remainder of property.

Proposed elevations not compatible with local area.
