

## **Proposed Waterside Improvements and The Coastal Revival Fund.**

Report from Cllr Richard Bickford, Chairman of The Coastal Community Team : Saltash

### **Recommendation.**

*That the report be noted.*

\*\*\*\*\*

1. At their meeting on the 25<sup>th</sup> February 2020, the committee noted and supported the CCT report presented, which amongst other matters, addressed the principle of preparing a design feasibility study financed from the Coastal Revival Fund award of £50k. A list of eight appropriately qualified and experienced engineering consultants to be invited to submit proposals for the public realm and flood protection improvements was also supported. Minute 165/19/20b refers.
2. As previously advised, the accountable body for the fund is Cornwall Council, however responsibility for pursuing matters rests with The Coastal Community Team : Saltash on behalf of Saltash Town Council.
3. Proposals from three consultants were received by the Town Council on 26<sup>th</sup> May 2020 and these are now being appraised by an Evaluation Team set up by the CCT. The Evaluation Team of four includes two town councillors, the ward County Councillor and a property professional who are working to an agreed evaluation matrix. Consultant selection interviews will be held by the Evaluation Team if necessary to identify that consultant offering the best quality and price proposition.
4. A report detailing the proposed design study methodology, budget implications and of course a recommendation for the appointment of a consultant will be prepared for initial consideration by the CCT: Saltash and thereafter, amended as necessary, be brought to a future meeting of the Policy and Finance Committee with final recommendations.

**Cllr. Richard Bickford**  
**Chairman of the Coastal Community Team : Saltash**
