

Service Delivery Report services meeting July 2020

St Stephens and Churchtown are ongoing with grass, the toilet block has been repainted and the main hut and gates are programmed in to be done soon depending on weather.

Benches in Fore Street are ongoing, all bollards and plaques on St Nicholas and Faith gates have been done.

Covid-19 related measures in place in fore Street, we are checking the cones and signs are still in the correct places every morning.

The Fore Street benches are being sanitized every day.

Hanging baskets have been installed in Fore Street, Lower Fore Street and Waterfront, and watered daily. Fed once a week.

Belle Vue and Waterfront toilets are open 8.30 to 5 daily. They are cleaned on opening and again early afternoon.

The 2 large planters in fore Street outside the betting shop have been removed.

Bunting has been put up in Fore Street and the Waterfront.

We now have 2 vans on hire on a month to month basis from DB Van Hire.

We have started to clear the overgrowth at Dartmoor View.

2 temporary SDGA's starting as soon as possible.

Maurice Huggins Room has been cleared and deep cleaned.
