Having seen the advice from Derek and Adrian I wish to change my vote to 'Refusal on the grounds that these trees are a part of an ancient tree line, and that the original planning approval was changed to ensure the trees were not too close to the tree line to avoid any shading problems'. No DOI to declare.

Councillor Mark Fox:

I recommend refusal on those grounds. No DOI for me.

As written I recommend refusal of this application, however some work on this tree and others nearby in this road is needed and the CC tree officer's opinion should be sought on what would be a reasonable package of work. I have no interest to declare.
