Councillor Sarah Martin:

Councillor Steve Miller:
Refusal from me - DOI nil.

Despite a note that dimensions are in mm, none are shown.

New side extension very close to boundary, but only shown on outline so can't be gauged!

New garage in front of building line, out of character with street scene.

These plans as published seem almost a carte blanc at will.

I don't know if any of this is relevant to a decision but feel it would at least be useful to feedback to planning officer in their considerations. Any comments welcome.

This application particularly highlights the unsatisfactory scenario of the lack of Planning meetings to discuss issues. Why have they not been restarted?

Non-pecuniary interest from me as it is a property in close proximity to home.
