Notification of works to a tree in a conservation area - Removal of an Ash tree.

**Councillor Gloria Challen:**

**Councillor Jean Dent:**

Approval please.

**Councillor Mark Fox:**

I visited the site yesterday – these are my reflections

The Ash Tree has die back and should be felled.

Sycamore B – no action required at this time.

Sycamore A – needs the horizontal branch cut out but nothing more.

These trees are healthy and require little attention.

**Councillor Pete Samuels:**

"We have been advised....." states the application, but by whom?

I cannot see any report attached to the application that confirms that the ash is subject to die back, nor any authoritative report on the sycamore trees.

On that basis I would recommend refusal at this stage.

**Councillor David Yates:**

I have no objections to this application and propose that STC recommend approval.  
I have no interest to declare.
