

Plymouth City Council's Transforming Cities Fund (TCF) Workplace Travel Grants Scheme.

Thank you again for the letter of support from Saltash Town Council for our Transforming Cities Fund (TCF) bid.

Following your letter I am writing to you advise you of grant funding opportunity that Plymouth City Council is now able to offer to businesses in the Plymouth city region (Figure One), through the TCF.

Figure One: Plymouth City Region Area Map

Through the TCF Workplace Travel Grants scheme, funded by the Department for Transport, the Council are offering match-funded, capital, grants of up to £25,000, per business. The Council's contribution is a maximum of 75% of the non-VAT scheme cost.

Projects which could be funded through the grants include secure cycle parking, pool bikes, workplace shower facilities or electric vehicle charging points. However, bids aren't limited to these ideas and we're keen to hear innovative proposals to tackle issues specific to a company.

Full details of the opportunity is available at www.plymouth.gov.uk/workplacetravelgrants . Grant applications can be submitted from Monday 26th October. The closing date for applications for the 2020/21 programme is Friday 15th January 2021. All schemes funded this financial year must be delivered by mid-March.

I would be very grateful if you could promote this opportunity to businesses within Saltash and the surrounding area. Thank you.
