Dear Sir/Madam

### **Broadmoor Farm, Saltash – Proposed extension of 30mph speed limit**

Cormac Solutions Ltd on behalf of Cornwall Council is inviting comments on a proposal to introduce a new 30mph speed limit on the A388 between Carkeel and the roundabout access to Tamar View Industrial Estate. Furthermore, roads within the Industrial Estate will become 30mph by virtue of the existing streetlighting provision. Please refer to drawing no. EDG1769-SN01 for further details.

These restrictions are proposed as part of a Section 278 Agreement for the highway works associated with the development of land at Broadmoor Farm which will be accessed from a newly built roundabout. Improvements will also include a new shared use pedestrian and cycle facility between the new roundabout and Avery Way plus amendments to an existing bus stop facility.

In addition, where appropriate, Traffic Regulation Orders and signing within the vicinity of these proposals will be upgraded to ensure that the existing restrictions are legally enforceable.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

**18<sup>th</sup> December 2020**
