<p><u>OUTREACH REPORT:</u> - JY has been looking at outreach throughout the covid changes, going mainly down to Saltmill, using our 1hrs exercise to begin with to see who was out and about and giving the young people updates and informing them of the Covid19 Rules and regs. JY also gave out updates and useful information on our sites such as Facebook and Instagram and activities to keep young peoples minds active.</p> <p>- JY was able to re-open in Late September and had a limit of 25 young people which was working really well, everyone was really happy to be back and had lots of mixed feelings about Covid19, they were uneasy about all the changes been made in school, but JY have reassured them and given information on how they can deal with mixed feelings regarding Covid changes etc...</p> <p>- JY will be working with Chris Barber from GW south in regards to there neet funding they received, They are looking for our Young people to support with there project, so its planned in to have meetings with Our young people at JY to discuss Saltmill Skatepark and how it can be regenerated and how it can meet health and safety standards etc... We will look to having this lead and driven by the young people guiding them throughout, Excited about this moving forward.....</p> <p><u>DETACHED REPORT:</u></p> <p>WE MAINLY DO OUR DETACHED WORK AT SALTMILL, DISCUSSING WHAT YOUNG PEOPLES NEEDS DOWN THERE ARE AND REPORT BACK TO GW SOUTH WHO LEASE SALTMILL SKATEPARK.</p> <p>THE YOUNG PEOPLE ARE INFORMED OF JY OPEN ACCESS SESSIONS AND MADE AWARE OF OTHER YOUTH PRIVISIONS AVAILABLE TO THEM, WE ALSO ARE IN TALKS OF TAKING OVER SALTMILL</p>
