

Annual Report Saltash Regatta

Due to the current global pandemic the Saltash Regatta Committee were not able to hold their annual event in 2020. The decision to postpone to 2021 was made with a provisional date of the 19th June 2021 made prior to the recent Government roadmap being announced.

The Committee are looking at all options and assessing the ever changing circumstances with the hope to hold an event this summer, dependent on further developments and Government guidance in the coming months as to what the restrictions and possible relaxation of measures may be.

End of Report.
