BUSINESS AS USUAL

Saltash Library is continuing to open 5 days a week (including Saturday) for click and collect during these uncertain times. Opening times are 11am – 2pm.

We would remind you to follow Government guidelines and plan your visit carefully and not unnecessarily leave your house. We also have a fantastic digital online service for downloading books.

Visit the Cornwall Council website for details. <https://www.cornwall.gov.uk>

THANKYOU FOR ALL THE PUBLIC SUPPORT AND KIND COMMENTS -

'I would like to thank all your colleagues at Cornwall libraries for your continued dedication and the excellent service you provide to so many, particularly so during these uncertain times. The continuation of the library service remaining accessible for use and contactable with requests and such are proving to be invaluable to so many of my age group, it is truly appreciated immensely by so many.'

For the past 12 months Saltash Town Council have been engaged in the proposed development and investment consultation for Saltash Library. The Council view this as a great opportunity to secure the Library for the town since Cornwall Council's devolution programme allowed the future management and running of the library to be transferred locally.

With this in mind, and as allowed in the current pandemic protocols, Saltash Town Council are organizing six online Zoom presentation showcases presented by the Councils Chairman and Vice Chairman of the Library Sub Committee, the Assistant Town Clerk and the Community Hub Team Leader to share the plans.
