MAY 2021

Local Community & History Month

May is Local Community and History Month and here at the Library we are keenly celebrating our amazing heritage. We have a small exhibition at the Library with loads of books you can borrow and digital history packs for schools.

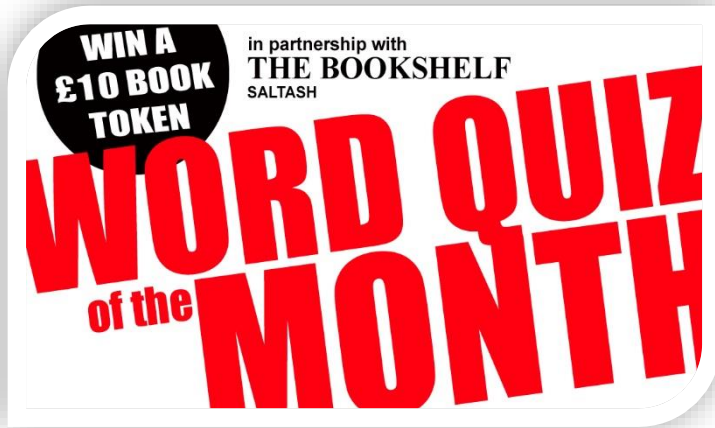

We would also like to hear from you or family members of recollections, stories, photos and memories of living and working in and around Saltash. Our aim is to publish a Saltash History 2021 Recollections book to keep at the Library for future generations to read.
