

Press Release

Saltash Town Council hear from local transport providers

Following feedback from members of the public regarding public transport in Saltash Stagecoach and Citybus attended the Full Town Council meeting on Thursday 4 November.

Stagecoach talked of the challenges faced during the pandemic including staff shortages and the ongoing recruitment issues facing the company. Reassurance was offered that the situation is improving and residents should see an increase in the service offered from January 2022.

Citybus are facing issues similar to Stagecoach including delays by the works on the Tamar Bridge. A strengthened partnership between Citybus and Cornwall Council aims to provide better services for Cornwall.

Once bus timetables have been updated copies will be available from the Guildhall and Library. Saltash Town Council will also be informing residents of an app that can be used to search for public transport in due course.
