Announcement

Saltash Environmental Action Litter Rangers

Saltash Town Council are supporting Saltash Environmental Action (SEA) with the Saltash Litter Rangers Campaign.

Individual and families are invited to pick up litter near their homes and 'adopt a street'. You can register on the SEA website and choose your street or area to help keep clean.

How you undertake your litter picks is up to you! You can do informal litter picking as you are going about your daily routine or organise formal litter picks with neighbours.

SEA has equipment you can borrow to undertake your pick.

Further information can be found on their website www.seasaltash.org.uk
