

SALTASH TOWN COUNCIL

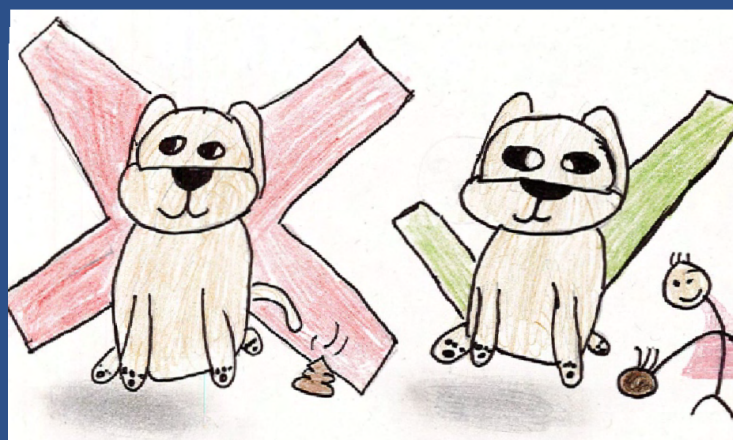

WORKING IN PARTNERSHIP FOR THE PEOPLE OF SALTASH

Saltash Town Council asked the youth of Saltash to assist by creating artwork for Dog Fouling awareness signs to be displayed at agreed locations throughout the Town. Entries were judged by the Town Council in partnership with Cornwall Council.

The Town Council hope by raising awareness it will encourage all dog Walkers to clean up after their pet.

Saltash Town Council recently decided to make winning entries available for residents to print and display if they would like to raise awareness **on their property only**.

Please feel free to print a preferred image from one of the pages below for display **on your property only**.

Fact: you could get an £100 fine
if you don't clean up!

lets just
leave it...

You should pick
The dog poo up!

Litter! oh
no!!
poo bags
