

Saltash Town Council, working on behalf of The Saltash Town Team, has secured Town Vitality Funding from Cornwall Council to undertake a feasibility study to develop a new green multi-use community space in the retail heart of the town centre.

Have your say....!

On a new green community space for Saltash!

The Saltash Town Team working with Saltash Town Council have commissioned Architecture by Studio Hive to design a green multi-use space in the retail heart of the town centre.

**Public consultation will take place in June including a
public exhibition on:**

**Friday 16th and Saturday 17th June at The Guildhall,
12 Lower Fore Street, Saltash between 10am and 5pm.**

www.saltash.gov.uk/consultations.php

or email enquiries@saltash.gov.uk

Study Areas: Car Parks, Town Gateways and Fore Street

Saltash Town Centre

What is it?

This green multi-use community space would be able to host events, offer enhanced facilities for outdoor relaxation and bring the community together, as well as enhance the viability of the town centre as a retail and leisure destination.

Funded through Cornwall Council's Town Vitality Funding

'A vibrant 'green' realm in the retail heart of the town'

A better connected Saltash through signage and way-finding

Improved materials and street furniture

Strengthen biodiversity and climate resilience

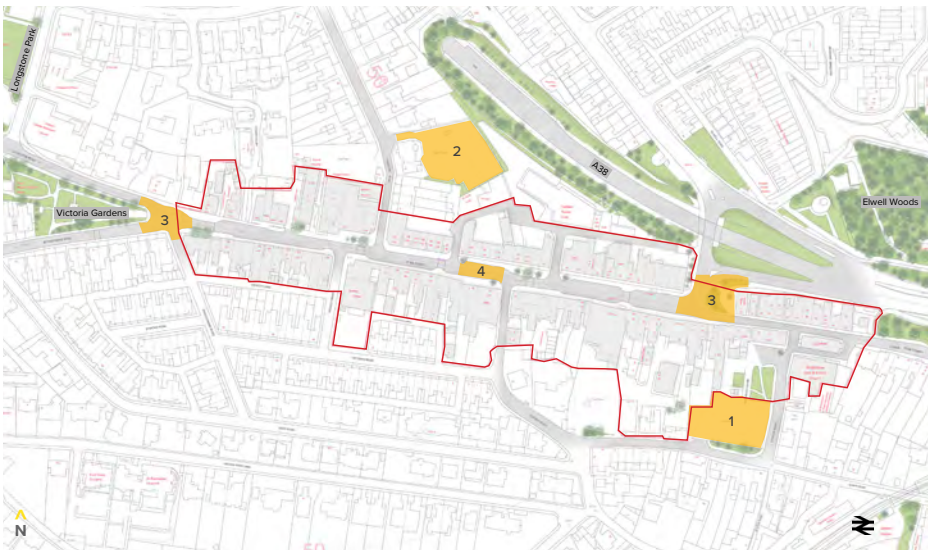

Improved 'walkability' and active travel options

Multi-functional and adaptable spaces for a range of events

Creation of short-term or temporary uses

Key Areas: The map above shows the various locations which have been included in the early assessment work

Priority study area

Existing green infrastructure

Existing buildings

Existing highway infrastructure

Saltash rail station

Wider study areas:

1. Alexandra Square
2. Belle Vue East Car Park
3. Victoria Gardens Gateway & Merkur Slots Gateway
4. Central Fore Street
