

SALTASH TOWN COUNCIL

Announcement

Saltash Town Council encourage residents to use JustPark app for parking in the town.

Following Cornwall Council's consultation on car parking charges Cornwall Council has made the decision to increase car parking charges in car parks across the county. This includes charging now on Sundays, with 4pm – 9am remaining free of charge in all Saltash car parks.

Saltash Town Council is urging residents who regularly use the town's car parks to consider using the JustPark app to purchase multi use tickets. Multi-use tickets are for 24 hours parking and can be used on whatever day they are required. Tickets purchased in this way can save users £4 per day at Alexandra Square and Belle Vue East who both offer long stay parking. For more information on this please visit <https://www.justpark.com/season-tickets/cornwall>
