Saltash Town Council continues offer of Home Library Service

Saltash Town Council has approved to continue the Saltash area Home Library Service from the Saltash Community Library Hub following Cornwall Councils decision to not provide the service across the Cornwall.

The service is open to residents of Saltash, as defined by the town's border who are unable to access library service whether from the Saltash Library Hub or outreach library services. Residents might not be able to access any provision on a temporary or permanent basis due to health, transport or caring duties. Each request to use the service will be considered.

It is hoped that the service will ensure that people who may be isolated have access to a wide range of reading materials delivered to the place they reside based on their personal preferences and will also provide an important opportunity for social contact. The service also provides access to e-books, e-audio books and e-magazines.

The service relies on volunteers to deliver and collect the books from residents houses.

If you are in need of the Home Library Service or are interested in being a volunteer please contact Saltash Town Council on 01752 844846 or via email enquiries@saltash.gov.uk
