

Booking system introduced for Saltash Household Waste and Recycling Centre

Saltash Town Council are reminding residents that visits to the Saltash Household Waste and Recycling Centre will require a free slot to be booked prior to arrival.

Residents can book a 30-minute slot at www.cornwall.gov.uk/tipbooking or phone 0300 1234 141. The car registration number must match the one that is booked, and residents are asked to cancel if they cannot attend so the slot can be offered to others.

The trial has been put in place by Cornwall Council to alleviate the traffic congestion seen in the area, especially at the weekends.

If you have any questions or concerns regarding the trial system, please contact Cornwall Council and or your Cornwall Councillor directly who will be happy to assist.
