Creative Writing Competition

Biowatch theme:-

'Change & Adapt'

Win great prizes for great writing!

Through creative writing we want to create a legacy of encouraging, understanding and thinking about the environment around us while pro-actively creating an original piece of literary work based around the theme 'Change & Adapt'.

The three optional writing competition formats are:-

1. Flash Fiction (1000 words or less with a story and plot line).
2. Poem (200 words or more).
3. Haiku (3 lines invoking natural imagery - five syllables in the first line, seven in the second, and five in the third.)

The competition runs to the end of July for the opportunity to win a prize by entering an original written work of your creative choice from the options above. Entries will also be exhibited in the Library Hub.

The two age ranges for all competition formats are:-
Junior - Up to and including 14 years of age.
Adult - 15 years and over.
All entries will be judged by a professional writer.

Hand your entries into the Library Hub team with your details or email an attachment to saltash.library@liscornwall.org.uk
