What Happened in December in the Library Hub

December was packed full of events here in the Library, we kicked off with our very first tree at the Saltash Christmas Tree Festival at St Nicolas and St Faith Church.

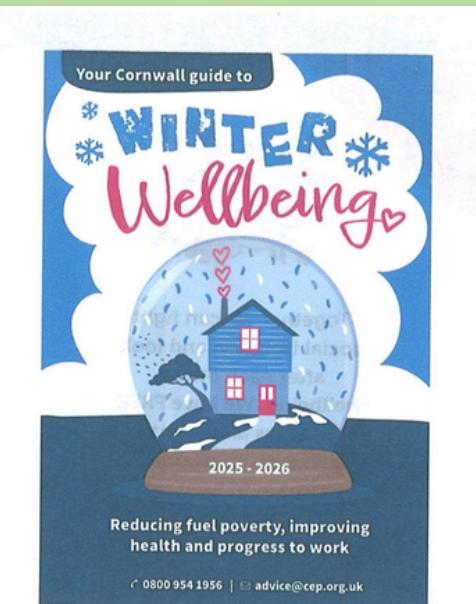

We had a number of amazing Christmas Craft Activities for adults and children from making your own Wreaths, Christmas cards, Pine Cone / Soft Dough Tree Decorations

We also had a very special visit from Santa who flew all the way to Saltash from Lapland to see everyone in the Library.
