Saltash Town Council Launches Public Engagement to Help Shape Saltash's Future

Saltash Town Council is inviting residents, businesses, community groups and visitors to share their vision for the future of Saltash.

As part of the evidence gathering for the Town Council's Neighbourhood Priorities Statement, the Town Council has launched a public engagement exercise to gather views on the issues and priorities that matter most to the community, building on the vision established through the Neighbourhood Development Plan.

The public engagement exercise began at 9am on 9 October 2026 and will run for three weeks, closing at 5pm on 31 October 2026. Members of the public are encouraged to complete the feedback survey, which explores possible approaches to future housing, employment, transport, community facilities, green spaces and infrastructure.

A dedicated website has been created to host the information and survey:

The survey is available online, with paper copies also available to collect from and drop off at various locations across Saltash during usual opening hours:

- Saltash Guildhall, Lower Fore Street, Saltash PL12 6JX
- Saltash Library Hub, Plougastel Drive, Saltash PL12 6DX
- Saltash Health Centre, Callington Road, Saltash PL12 6DL
- Community Enterprises PL12, 4 Fore Street, Saltash PL12 6JL

The feedback gathered through this engagement will help inform Saltash's Neighbourhood Priorities Statement, which Cornwall Council has asked town and parish councils to prepare as part of the evidence-gathering process for its future Local Plan 2029. The responses will help ensure that local priorities, needs and aspirations are reflected in future planning for the area.

As part of the engagement, participants are invited to consider four hypothetical development scenarios and share their views on the opportunities, challenges, and overall suitability of each option. Each scenario explores different approaches to future growth, highlighting a range of features and key effects. The purpose of this is not to propose a preferred development plan, but to help the Town Council better understand what is important to the community.

Everyone is welcome to join the Town Council at the Library Hub, where Officers and Councillors will be available to explain the process and answer questions from 10am to 12pm on weekdays (excluding Wednesdays).

The Town Council will also be holding drop-in sessions throughout the three-week engagement period, giving members of the public the opportunity to learn more about Scenario Planning and the survey process:

- Saltash Library Hub: 12 to 30 October, weekdays*, 10am to 12pm
- Ashtorre Rock: 13, 20 and 27 October, 1.30pm to 3.30pm
- Co-op Food Saltash: 16, 23 and 30 October, 2pm to 4pm

- The Core: 19 October, 1.30pm to 3pm
- Livewire: 26 October, 7pm to 8pm

The development of the Neighbourhood Priorities Statement reflects the Town Council's commitment to supporting economic prosperity, health and wellbeing, improved recreational spaces, and a balanced supply of high-quality affordable housing in partnership with Cornwall Council. More information on the Town Council's Strategic Priorities can be found in the [Town Council's Business Plan](#).
